DataCore Insight Services™
Terms of Service

READ THESE TERMS THOROUGHLY. BY ACCEPTING THESE TERMS, YOU ARE ENTERING INTO A LEGALLY BINDING CONTRACT WITH DATACORE SOFTWARE CORPORATION.

1. Acceptance of Terms

By using DataCore Insight Services™ (the "Service") provided by DataCore Software Corporation ("DataCore") you accept the Terms of Service ("TOS") and agree to be bound by it. DataCore may update the TOS from time to time without notice. The TOS may not be amended or changed by a purchase order or other instrument submitted by you, whether formally rejected by DataCore or not. You can review the most current version of the TOS at any time at: https://www.datacore.com/legal/tos/.

If you are entering into the TOS on behalf of a company or other legal entity (the "Company"), you represent that you have the authority to bind the Company to the TOS, in which case the terms "you" or "your" shall refer to the Company. If you do not have such authority, or if you do not agree with the TOS, you may not use the Service. A third party, such as a channel partner or other agent, may not enter into the TOS for you. You acknowledge and agree that the Service requires a fully paid SANsymphony™ subscription (term license), authorized by DataCore.

You understand and agree that the Service may include certain communications from DataCore, such as service announcements and administrative messages, and that these communications are considered part of Service and that you will not be able to opt out of receiving them. You understand and agree that the service may include advertising messages from DataCore, and that you will be able to opt out of receiving them. Changes and features that augment or enhance the current Service shall be subject to the TOS. You understand and agree that the Service is provided "as is" and that DataCore assumes no responsibility for the timeliness, deletion, mis-delivery of or failure to store any user content or settings. You are responsible for obtaining access to the Service, which access may involve third-party fees (such as Internet Service Provider charges). Your access to the Service may require the purchase of other DataCore products or services or your continuous entitlement under those purchases (for example, support maintenance contract for on-premises licensed DataCore product). In addition, you must provide and are responsible for all equipment necessary to access the Service.

If you are an evaluation (free trial period) user of SANsymphony™, your access to the Service is granted at DataCore's sole discretion and is for customer pre-purchase evaluation only. The evaluation period and Service access shall be determined solely by DataCore and may be terminated or restricted at any time, with or without notice, and without any DataCore liability whatsoever.

2. Your Account

In consideration of your use of the Service, you represent and warrant that (i) you are of legal age to form a binding contract and are not a person barred from receiving services under the laws of the United States or any other applicable jurisdiction, (ii) your use of the Service does not violate any applicable law or regulation, and (iii) you are human. Accounts registered by "bots" or other automated methods are not permitted. You also agree to: (a) provide true, accurate, current and
complete information about yourself (and your Company, if applicable) as prompted by the Service’s registration form ("Registration Data"); and (b) maintain and promptly update the Registration Data to keep it true, accurate, current and complete. If you provide any information that is untrue, inaccurate, not current or incomplete, or DataCore has reasonable grounds to suspect that such information is untrue, inaccurate, not current or incomplete, DataCore has the right to suspend or terminate your account and refuse any and all current or future use of the Service (or any portion thereof).

Registration Data and certain other information about you, or other individuals, provided by you to DataCore as part of you accessing the Service or DataCore administering your use of the Service is subject to our Privacy Policy which is incorporated by reference herein in its entirety. For more information, see our privacy policy at http://www.datacore.com/privacy/. To the extent that personal data within the meaning of the European Union’s General Data Protection Regulation (EU) 2016/679 ("GDPR") is collected by DataCore, the following link https://info.datacore.com/resources/legal/dpa.pdf, shall apply and hereby incorporated into the TOS by this reference.

You will be required to establish a password and account designation during the Service registration process. You are responsible for maintaining the confidentiality of the password and account and are fully responsible for all activities that occur under your password or account. You agree to (a) immediately notify DataCore of any unauthorized use of your password or account or any other breach of security; and (b) ensure that you exit from your account at the end of each session. DataCore cannot and will not be liable for any loss or damage arising from your failure to comply with the TOS, including, without limitation, this Section 2.

3. Fee

The Service is only available as a feature of your paid SANsymphony™ subscription, purchased through authorized DataCore distributors (with the exception of authorized evaluation users). No separate fee is required for the Service. Use of the Service is at your option. In no event will you receive a credit or refund to your SANsymphony™ subscription fee for not using the Service or for turning the Service off from the user interface. In the event that you use the Service, then at any time turn it off or otherwise discontinue using it, DataCore will not accept liability from any resulting loss of Content or data from your account.

For SANsymphony™ evaluation users, you may not receive a notice from DataCore that your free trial has ended or that your access to the Service, and associated Content or data, has ceased.

4. Content

You understand that all information, content, data, text, or other materials, including, without limitation, messages and support information (collectively, "Content"), whether publicly posted or privately transmitted, are the sole responsibility of the person from whom such Content originated. Content shall not include your System Data (as such term is defined in Section 5). You, and not DataCore, are entirely responsible for all Content that you upload, post, email, transmit or otherwise make available via the Service. DataCore does not control the Content posted via the Service and, as such, does not guarantee the accuracy, integrity or quality of such Content. You understand that by using the Service, you may be exposed to Content that is offensive, indecent, objectionable or illegal in your jurisdiction. Under no circumstances will DataCore be liable in any way for any Content, including, but not limited to, any errors or omissions in any Content, or any loss or damage of any kind incurred as a result of the use of any Content posted, emailed, transmitted or otherwise made available via the Service.
You agree to not use the Service to transmit, upload, store, maintain, distribute or otherwise use Content through the Service that violates any third party rights, is false or fraudulent, defamatory, obscene or otherwise violates the rights of any third party, including, without limitation, taking any of the following actions:

- upload, post, email, transmit or otherwise make available any Content that is unlawful, harmful, threatening, abusive, harassing, tortuous, defamatory, vulgar, obscene, libelous, invasive of another's privacy, hateful, or racially, ethnically or otherwise objectionable, under any applicable laws;
- harm minors in any way;
- impersonate any person or entity, or falsely state or otherwise misrepresent your affiliation with a person or entity;
- disguise the origin of any Content transmitted through the Service;

You acknowledge that DataCore may or may not pre-screen Content, but that DataCore and its designees shall have the right (but not the obligation) in its sole discretion to pre-screen, refuse, or move any Content that is provided to or available by the Service. You agree that you must evaluate and bear all risks associated with providing Content, including any reliance on the accuracy, completeness, or usefulness of such Content.

You acknowledge, consent and agree that DataCore may access, preserve and disclose your account information, Content and System Data if required to do so by any applicable law or in a good faith belief that such access preservation or disclosure is reasonably necessary to: (a) comply with any applicable legal process; (b) enforce the TOS; (c) respond to claims that any Content violates the rights of third parties; (d) respond to your requests for customer service; or (e) protect the rights, property or personal safety of DataCore, its users and the public.

You may not attempt to override or circumvent any of the usage rules embedded into the Service. Any unauthorized reproduction, publication, further distribution or public exhibition of the materials provided on the Service, in whole or in part, is strictly prohibited.

5. **Ownership and License of Content and System Data**

DataCore does not claim ownership of Content that you submit or make available for inclusion on or through the Service. However, notwithstanding any other provision of the TOS, with respect to Content submitted through or via the Service, or which is made available for inclusion on publicly accessible areas of the Service, you grant DataCore a non-exclusive, worldwide, royalty-free, perpetual, irrevocable, transferable and fully sublicensable license to use, distribute, reproduce, modify, adapt, publish, translate, publicly perform and publicly display such Content (in whole or in part) and to incorporate such Content into other works in any format or medium now known or later developed.

The term “System Data” shall mean all data and information about your systems and usage thereof (including, without limitation, the systems of your own clients, subcontractors and users, as applicable, and their respective usage thereof), which is either provided in connection with, uploaded to, or created, consolidated, analyzed or managed by, the Service. For the purpose of providing the Service, you authorize DataCore to collect such System Data. System Data is owned by you and shall not be deemed to be Content; provided however, DataCore reserves the right to collect, analyze, combine and utilize Non-Identifiable Data (as such term is defined below) from the Service for internal and commercial purposes including without limitation, research, benchmarking, sharing, developing enhancements to the Service and/or creating, selling, and licensing other DataCore products or services. The term “Non-Identifiable Data” shall mean System Data that has been compiled, extracted, modified, anonymized or aggregated in such a manner that neither the individual source of the data nor any individuals can reasonably be identified. You grant DataCore a worldwide, royalty-free, fully-paid, perpetual, irrevocable, transferable and fully sublicensable right to use such Non-Identifiable Data in any manner, including, without limitation, for commercial purposes.

6. **Special Admonitions for International Use**

Recognizing the global nature of the Internet, you agree to comply with any and all applicable local, state, national or international laws and regulations regarding online conduct, acceptable Content and your use of the Service. Specifically, you also agree to comply with all applicable laws regarding the transmission of technical data exported from the United States or the country or jurisdiction in which you reside. To the extent that personal data within the meaning of the European Union's General Data Protection Regulation (EU) 2016/679 (“GDPR”) is collected by DataCore, the following link [https://info.datacore.com/resources/legal/dpa.pdf](https://info.datacore.com/resources/legal/dpa.pdf) shall apply and hereby incorporated into the TOS by this reference.

7. **Mutual Indemnification**

DataCore’s violation of U.S.-registered patents, copyrights and trademarks (except to the extent caused by your Content, System Data or use of the Service in violation of the TOS), (ii) DataCore’s gross negligence or intentional misconduct, and (iii) DataCore’s violation of applicable U.S. law.

You agree to indemnify and hold DataCore and its parent (if any), subsidiaries, affiliates, officers, directors, stockholders, agents, attorneys, employees, partners, licensors and other representatives harmless from any claim or demand, including reasonable attorneys’ fees, made by any third party due to or arising out of, or in connection with, (i) Content you submit, post, transmit or otherwise make available through the Service, (ii) your use or access of the Service in a manner which is not expressly authorized by the TOS, (iii) your own connection to the Service, (iv) your violation of the TOS and all documents referenced herein, including, without limitation, the Privacy Policy, (v) your violation of any rights of another, and (vi) any taxes arising in connection with your purchase or use of the Service in any jurisdiction, domestic or otherwise, including, without limitation, sales and use tax.

The indemnifying party (the “Indemnifying Party”) shall only be required to indemnify the other party (the “Indemnified Party”) if: (i) the Indemnified Party promptly notifies the Indemnifying Party of a claim; (ii) the Indemnified Party provides the Indemnifying Party with full control of the defense and settlement of every such claim; (iii) the Indemnified Party reasonably cooperates with the Indemnifying Party in such defense and settlement, and (iv) the Indemnified Party does not settle any such claim or suit without the Indemnifying Party’s prior written consent. The Indemnified Party may participate in the defense and settlement of any claim with counsel of its choice at its own expense provided that the Indemnifying Party shall continue to have sole control of such defense or settlement.

8. No Resale of Service

You agree not to reproduce, duplicate, copy, sell, trade, lease, share, resell or exploit for any commercial purposes, any portion of the Service, use of the Service, or access to the Service unless you otherwise have a paid subscription (term license) to SANsymphony™, which specifically grants you such right(s).

9. General Practices Regarding Use and Storage

You further acknowledge that DataCore reserves the right to modify these general practices and limits from time to time without notice to you.

10. Modifications to Service

DataCore reserves the right, at any time and from time to time, to modify, update, maintain or temporarily suspend the Service (or any part thereof) with or without notice to you. DataCore shall not be liable to you or to any third party for any such modification or temporary suspension of the Service.

For illustrative purposes only, cause shall be deemed to include, but not be limited to: (a) breaches or violations of the TOS or other incorporated agreements or guidelines; (b) requests by law enforcement or other government agencies; (c) a request by you (self-initiated account deletions); (d) unexpected technical or security issues or problems; (e) extended periods of inactivity; (g) engagement by you in fraudulent or illegal activities; and/or (g) nonpayment of any fees owed by you to DataCore. DataCore shall not be liable to you or any third party in any other manner with respect to any termination of your account, or access to the Service. Upon termination you agree to immediately cease use of the Service. Applicable Sections of the TOS shall survive any termination of the TOS.

Following the expiration or termination of your SANsymphony™ subscription (or free evaluation period), DataCore may destroy your Content and/or data in accordance with its internal backup and archival policy. In no event shall DataCore be liable to you for loss of your Content or data.

13. Dealings with Third Parties

You shall not disclose Confidential Information to any third party or use Confidential Information for any purpose other than using the Service as authorized herein. You also acknowledge and agree that a breach of this provision will cause irreparable harm to DataCore for which it will have no adequate remedy at law, and therefore it shall be entitled to obtain injunctive relief to restrain violations of this provision, in addition to any other remedies it may have at law or equity.

22. Third-party Code

The Service may contain or be provided with components subject to the terms and conditions of “open source” software licenses (“Open Source Software”). The failure of DataCore to exercise or enforce any right or provision of the TOS shall not constitute a waiver of such right or provision. If any provision of the TOS is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court should endeavor to give effect to the parties intentions as reflected in the provision, and the other provisions of the TOS shall remain in full force and effect.
